

Dead Willow

Dead Willow is the second most popular roam unit based on first choice applicants, with 1.9% of all applications listing a Dead Willow hunt as first choice. Like Rentenaar, there are between six and ten permits available per hunt day and there is a very good chance to draw a permit with a first choice on most hunt days, though a few hunts are oversubscribed on first choice. Overall, the odds of drawing a permit for Dead Willow as a first choice were 98% during 2021/22 and 78% as a second choice. Unlike Rentenaar, hunters who listed a Dead Willow hunt for their third, fourth, or fifth choices still had a decent chance of drawing for certain hunt days. Over the past 10 seasons combined, Dead Willow has averaged about 2.0 ducks per hunter, similar to Rentenaar.
