

## Hunt

This unit has between six and eight permits available per hunt depending on hunt period and it is the third most desirable subunit to apply for in the draw. In 2021/22, 15.5% of applications listed Hunt as their first choice. Unlike Johnson and Racetrack, there was a very slight chance to draw a permit for Hunt on second choice but only for three specific hunts; October 22, October 30, and January 11. Overall, the odds of drawing a permit for Hunt as a first choice were 41% this past season on regular hunt days, and 65% for youth on youth only days. Over the past 10 seasons combined, Hunt has averaged about 1.8 ducks per hunter, third best of the blind subunits but less than several roam subunits such as Dead Willow, Rentenaar, Aaron, and Malarky.
