**Area 2A Pacific Halibut
Catch Sharing Plan
2026**

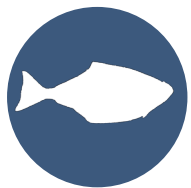

2026 Pacific halibut fisheries

Oregon Recreational

- 297,297-pound allocation
- Three subareas
- Seasons start as early as April 30

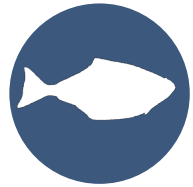

Directed Commercial

- 261,211-pound allocation
- Coastwide fishery (WA - CA)
- Season begins on June 23

Staff Recommendations

Adopt recommendations as shown in Attachment 3

Adopt the Federal rules for Pacific halibut recreational and commercial fisheries by reference, which include:

1. Harvest levels
2. Sport season dates
3. Commercial opening dates
4. 2026 Pacific Halibut Catch Sharing Plan

Thank you!
