Dear Chair and Members of the Commission,

Lincoln County respectfully submits this letter of support for the proposed sale of the Don Lindly property on the Alsea River to Lincoln County.

The County is a willing and committed buyer of this property and intends to incorporate the site into the Lincoln County Parks system as Don Lindly Park. The property will be managed for continued public access, outdoor recreation, and stewardship of natural resources consistent with the surrounding landscape and community needs.

Lincoln County understands the importance of maintaining public access to this site and affirms its intent to keep the property in public ownership and available for public use into the future. The County will manage the park in alignment with its mission to provide safe, accessible, and environmentally responsible recreational opportunities while protecting the natural character of the land.

The acquisition of this property represents an opportunity to preserve public access, ensure long-term stewardship at this location for future generations.

We appreciate the Commission's consideration of this proposed transaction and look forward to partnering in a smooth transition of ownership.

Sincerely,

A handwritten signature in black ink that reads "Kelly Perry". The signature is written in a cursive, flowing style.
