Subject: Request to Reconsider Hound Hunting Regulations

You don't often get email from dixiejenkins8@gmail.com. [Learn why this is important](#)

To Whom it May Concern,

My name is Dixie Jenkins, and I am a resident of Monument, Oregon in Grant County. I am writing to express my interest in discussing the possibility of revisiting current regulations regarding hound hunting in Oregon.

As someone connected to a rural community, I have seen firsthand how these regulations impact wildlife management practices, local traditions, and livelihoods. And it is detrimental. I would appreciate the opportunity to better understand the current policies and to share perspectives from my community.

If possible, I would value the chance to discuss with you or a member of your staff, or to learn how I can get support for this.

Thank you for your time and consideration.

Sincerely,

Dixie Jenkins
