DEAR YOUTH HUNTER:

Congratulations! You have been successful in drawing a **233T SPRAGUE YOUTH CONTROLLED ELK HUNT** tag. Check your tag for the hunt dates and bag limit authorized. This antlerless elk hunt has been designed to give young hunters a chance to develop proper hunting skills and ethics while hunting on public and private lands. We hope you are as excited about this hunting opportunity as we are in offering it to you. The future of youth hunts and the potential for the program to expand depends on the ethics, safety, and conduct of the participants.

The hunt area includes the entire Sprague Unit, which contains approximately 75% public and 25% private lands. See the 2026 big game regulations for the specific hunt area description. **A portion of your hunt area will be closed to motor vehicle access due to the Sun Creek Cooperative Road Closure beginning November 1, 2026 thru June 30, 2027.** While the area is closed to motorized vehicles, foot, horse and bicycle access is allowed. If you need information on where to hunt or are unfamiliar with the area please contact the Klamath Watershed District Office at (541) 883-5732.

We anticipate the highest level of sportsmanship and wish you a very safe and pleasant outing.

Thank You
