You will now be in your account dashboard. Before proceeding, please confirm your email, phone, and address are all current in your profile. This can be done by clicking “Your Profile” under “YOUR ACCOUNT”.

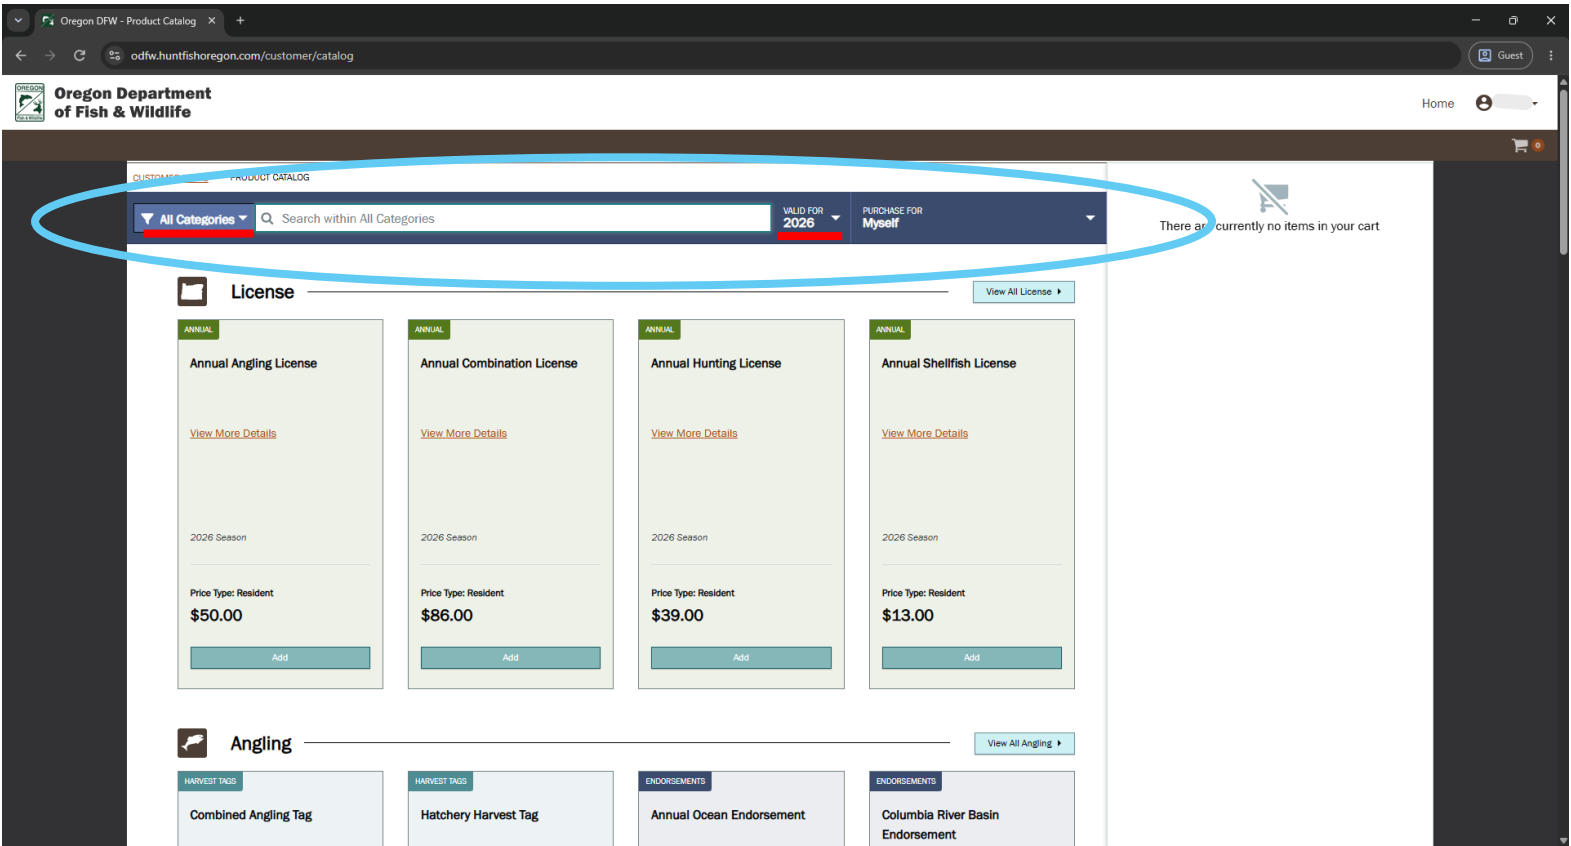

If any account information needs corrected, click the “Edit” button on the right, in the necessary category. Enter the updated info and hit “Save and Close”. Navigate back to your dashboard by clicking “Home” above “YOUR ACCOUNT”.

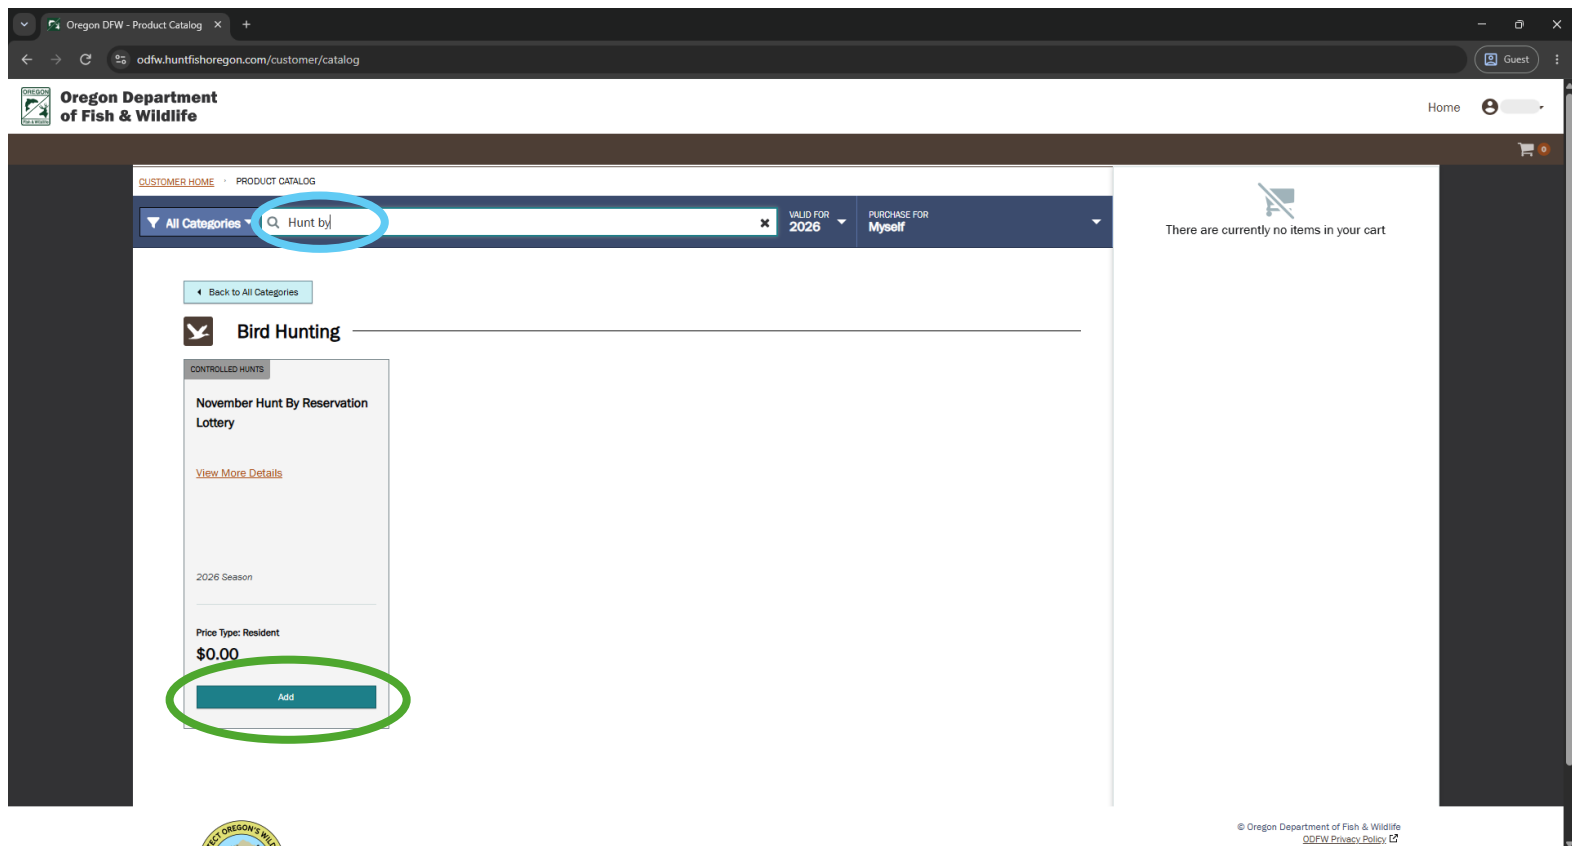

Now you can proceed through the lottery application process. Click on the green “Purchase from the catalog” button.

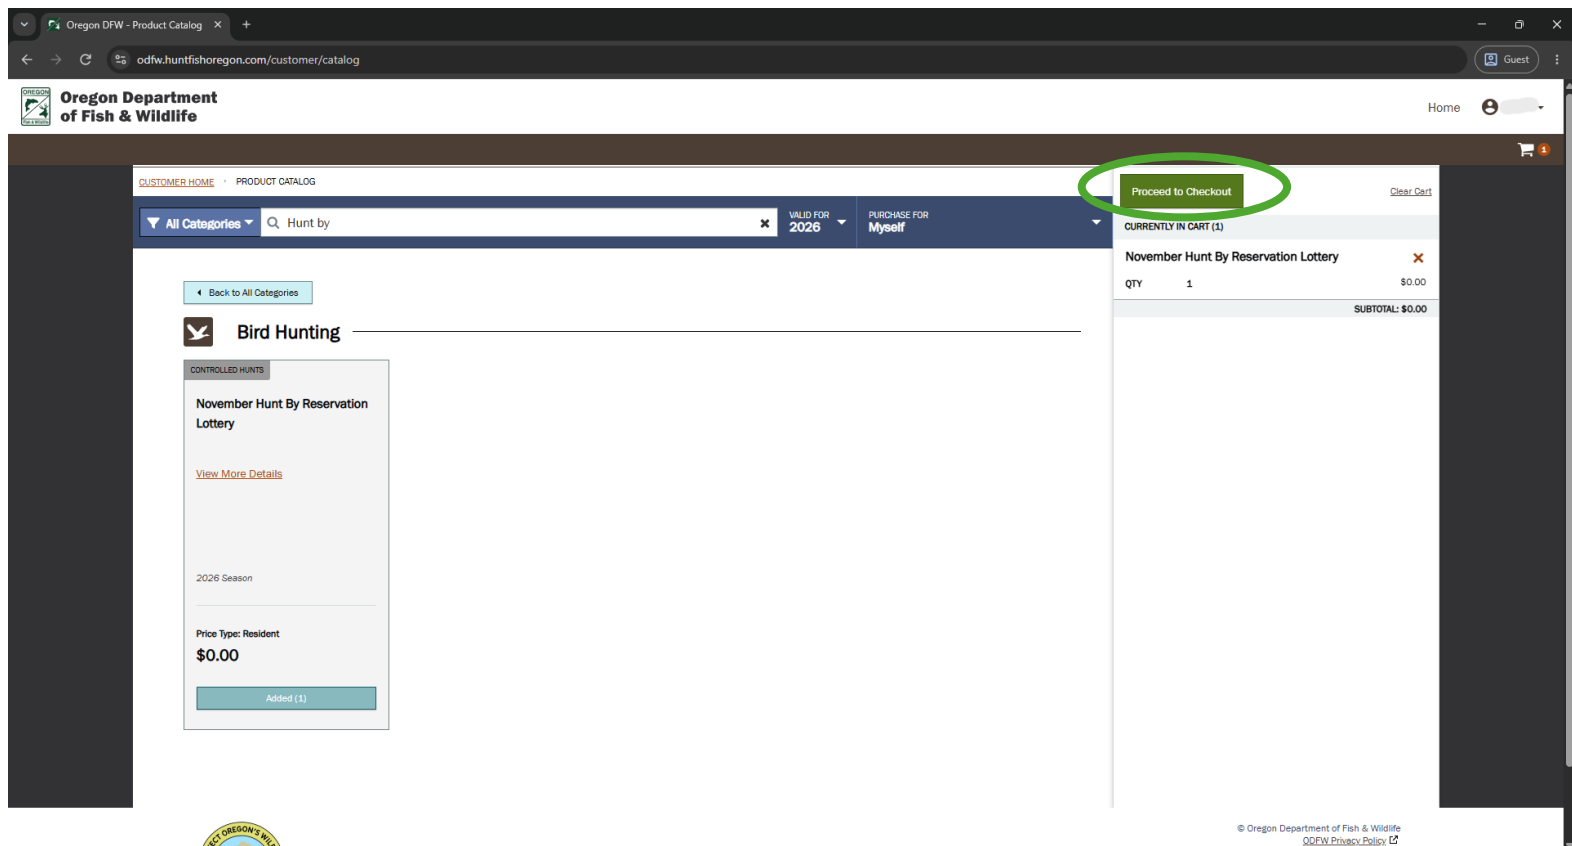

From the product catalog, find the product search bar (blue band with a white text box), and make sure “All Categories” is selected and “Valid For” has the correct year for your intended lottery.

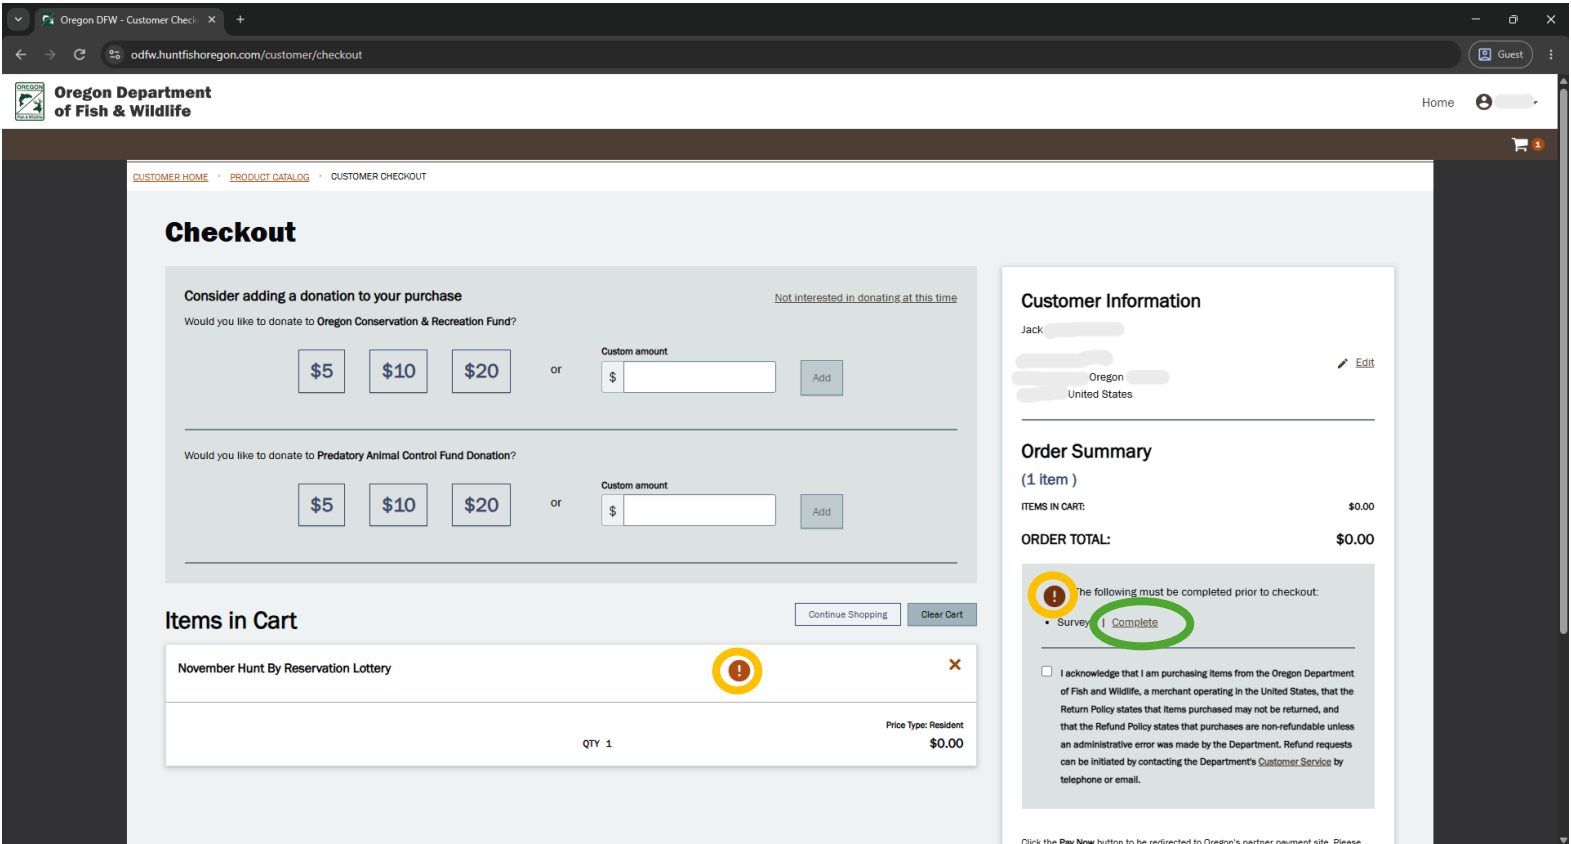

Type “Hunt by” in the product search bar text box. The application should automatically populate. Click the “Add” button at the bottom of the application.

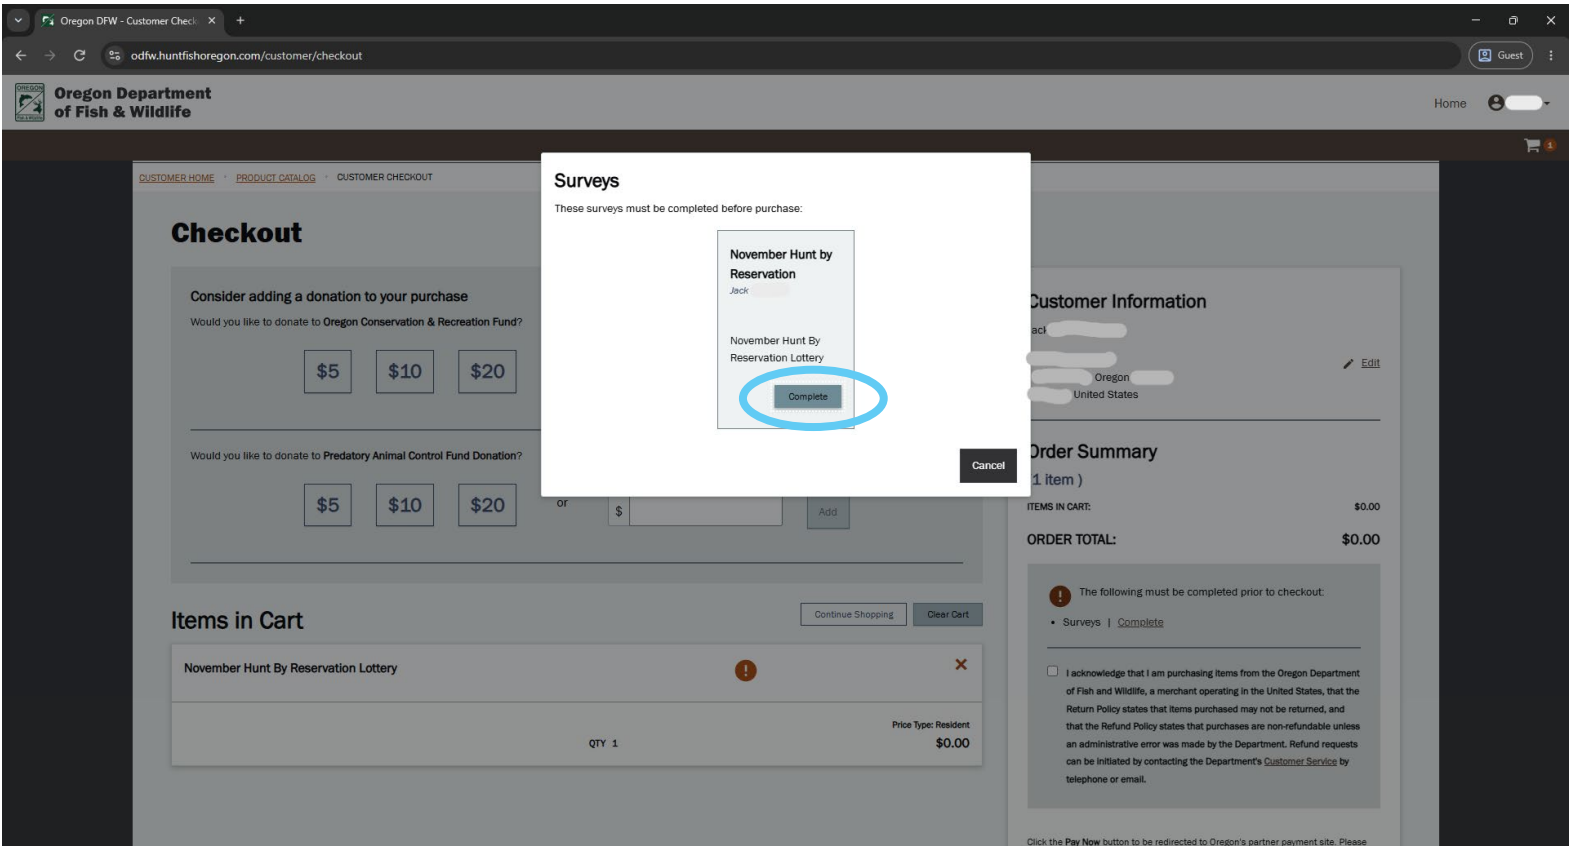

The application is now in your cart, and you can click the green “Proceed to Checkout” button.

Once in your cart, under “Order Summary”, there will be an exclamation mark in an orange circle, which indicates there are “surveys” yet to be completed. Click the “Complete” button.

There will be a popup labeled “Surveys” and the application will be inside it. Click the blue “Complete” button.

The “Survey” or application will now pop-up with information about the lottery and 1st, 2nd, and 3rd choice options to select. As indicated in the text, selections are final, so be sure to understand the details of each property, permit specifics, and dates available. This information can be found at <https://myodfw.com/reserve-your-hunt> by clicking the property name in the calendar, map, or property details near the bottom of the page.

Select your 1st choice, and optional second and third choices. Make sure to check the attestation box and click the green “Submit” button. As a reminder, repeating your 1st choice permit in the 2nd or 3rd boxes does not help your chances.

The screenshot shows the Oregon Department of Fish & Wildlife checkout page. A modal window titled "Surveys" is open, displaying the "November Hunt by Reservation" survey. The survey includes a completion progress bar for "Jack", a title "November Hunt by Reservation", and a note "Results available via email by 10/14. Please ensure the email in your profile is correct." Below this, it states "All draw choices are final; please confirm your selections. The HBR lottery provides access permits only. Applications will be disqualified if hunters do not possess a valid hunting license." The survey form has three sections: "Select your first choice location and date" with a dropdown menu showing "John Day Valley Damage Turkey, Friday, 11/13"; "Select your second choice location and date" (optional) with a dropdown menu showing "OSU Soap Creek Ranch- North, Sunday, 11/15"; and "Select your third choice location and date" (optional) with a dropdown menu showing "Kerry Island, Wednesday, 11/11". At the bottom of the survey, there is a checkbox labeled "I understand that the email in my customer profile will be used to contact me if I am selected in this drawing." which is checked. Below the checkbox is a green "Submit" button and a grey "Cancel" button. The background shows the checkout page with sections for "Consider adding a donation to your purchase" (Oregon Conservation & Recreation Fund and Predatory Animal Control Fund), "Items in Cart" (November Hunt By Reservation Lottery), and "Customer Information".

You will be returned to the pop-up window where you will click the green “Save” button.

The screenshot shows the same Oregon Department of Fish & Wildlife checkout page, but the survey pop-up is now in a different state. The survey title is "November Hunt by Reservation" and it shows "Jack" as the participant. Below the title, it says "November Hunt By Reservation Lottery" and has an "Edit" button. At the bottom of the survey, there is a green "Save" button. The background shows the checkout page with sections for "Consider adding a donation to your purchase", "Items in Cart" (November Hunt By Reservation Lottery), and "Customer Information".

Now that your “Survey” or application is complete and saved it will have a green checkmark by it. Check the box for the attestation and click the green “Pay Now” button.
