

ODFW- Hunt by Reservation Program

How to apply for a lottery permit- Mobile Version

First, go to <https://myodfw.com/reserve-your-hunt> and scroll down to the blue table labeled “Lottery Dates”, and confirm the application period is open for your intended permit lottery.

Hunt Period	Open	Close	Results sent by email	Leftover permits available at 10am
April '26	3/9	3/22	3/25	3/26
May '26	3/30	4/12	4/15	4/16
*Big Game	7/13	7/26	7/29	7/30
September '26	8/3	8/16	8/19	8/20
October '26	8/31	9/13	9/16	9/17
November '26	9/28	10/11	10/14	10/15
December '26	10/22	11/8	11/11	11/12
January '27	11/20	12/13	12/16	12/17
February '27				1/14

Next go to <https://odfw.huntfishoregon.com/login>; enter your username and password, then tap “Login”. If you have never had a hunting or fishing license before or have not set up an online account through ODFW, follow the on-screen directions.

Account Login

If you have set up an account since December 1, 2018, enter your username and password, otherwise [Verify/Look Up Your Account](#)

If you have never purchased a license from ODFW: [Create an Account](#)

If you only purchased from an agent, or aren't sure if you have an account, please click [Look up](#)

You will now be in your account dashboard. Before proceeding, please confirm your email, phone, and address are all current in your profile. This can be done by tapping the person icon on the bottom bar.

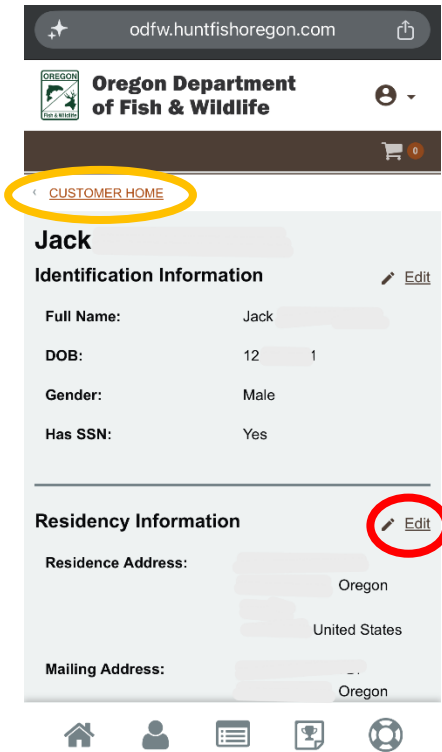

Then tap “Your Profile”.

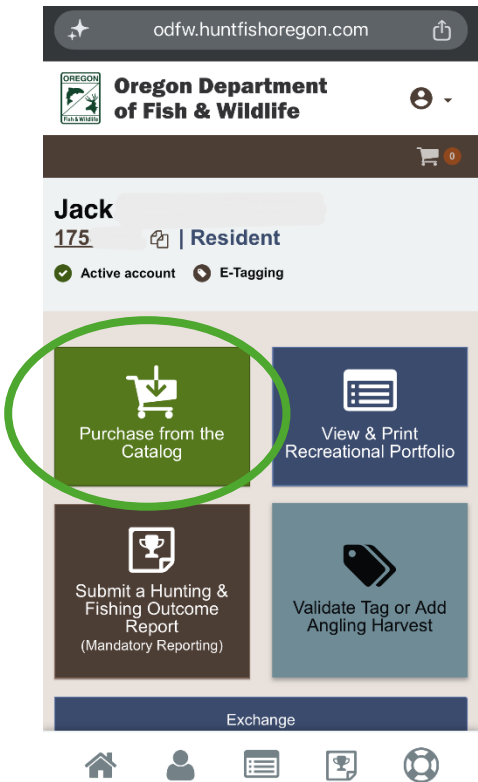

If any account information needs corrected, touch the “Edit” button on the right in the necessary category. Enter the updated info and hit “Save and Close”.

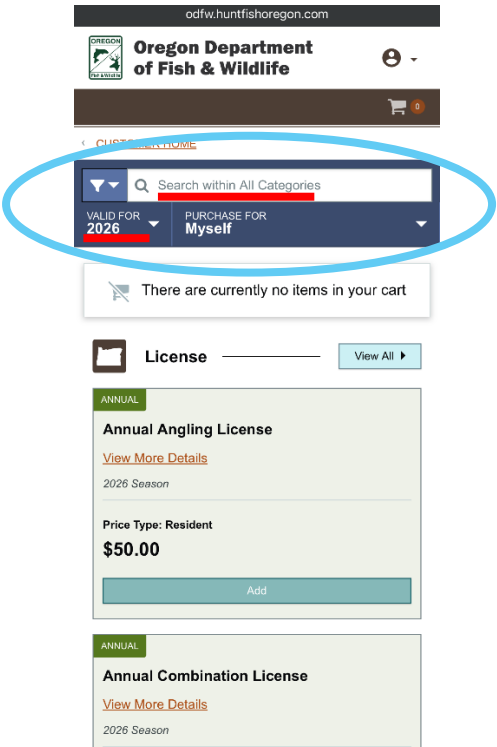

Navigate back to your dashboard by tapping the orange text, “Customer Home”.

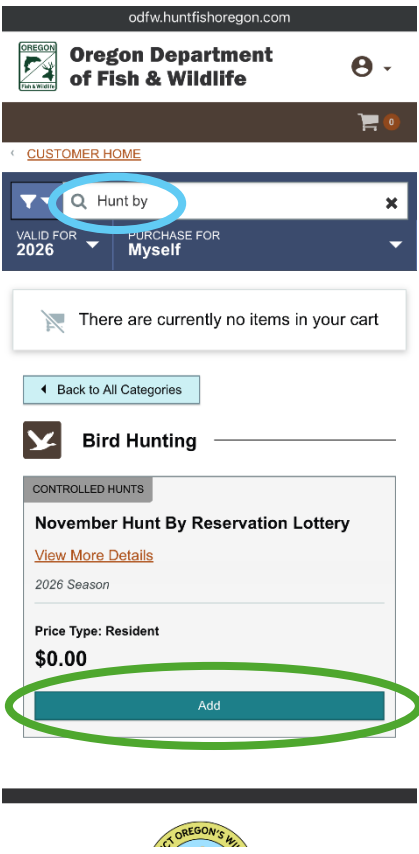

Now you can proceed through the lottery application process. Touch the green “Purchase from the catalog” button.

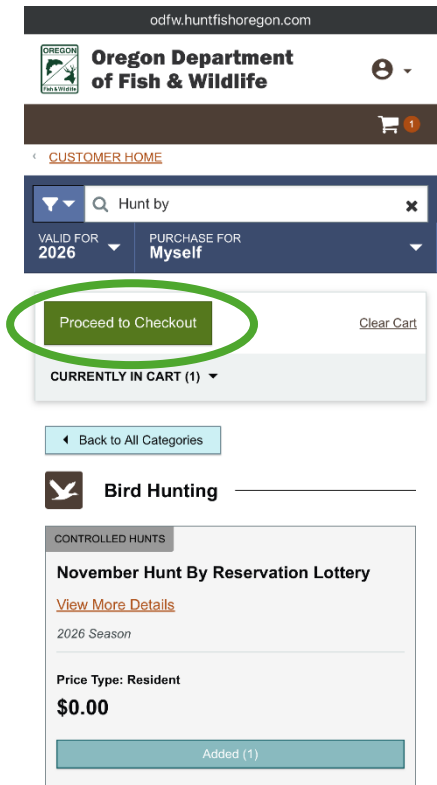

From the product catalog, find the product search bar (blue band with a white text box). Make sure it has “Search within All Categories”, and “Valid For” has the correct year for your intended lottery.

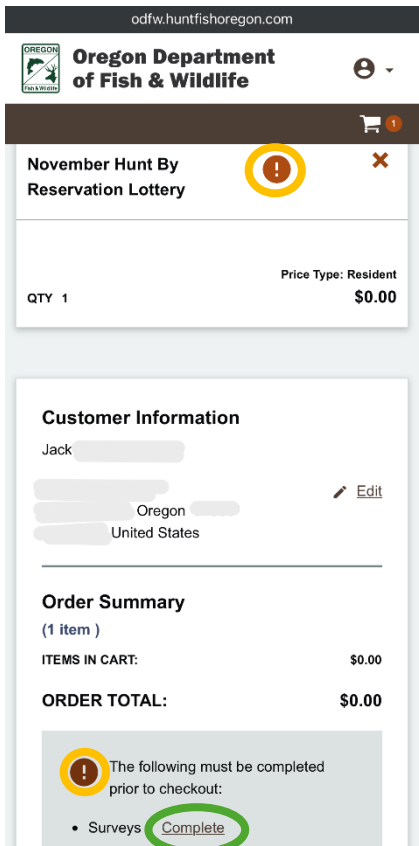

Type “Hunt by” in the product search bar text box. The application should automatically populate. Tap the “Add” button at the bottom of the application.

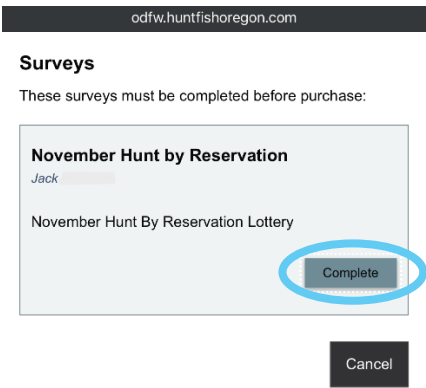

The application is now in your cart, and you can tap the green “Proceed to Checkout” button.

Once in your cart, under “Order Summary”, there will be an exclamation mark in an orange circle, which indicates there are “surveys” yet to be completed. Tap the “Complete” button.

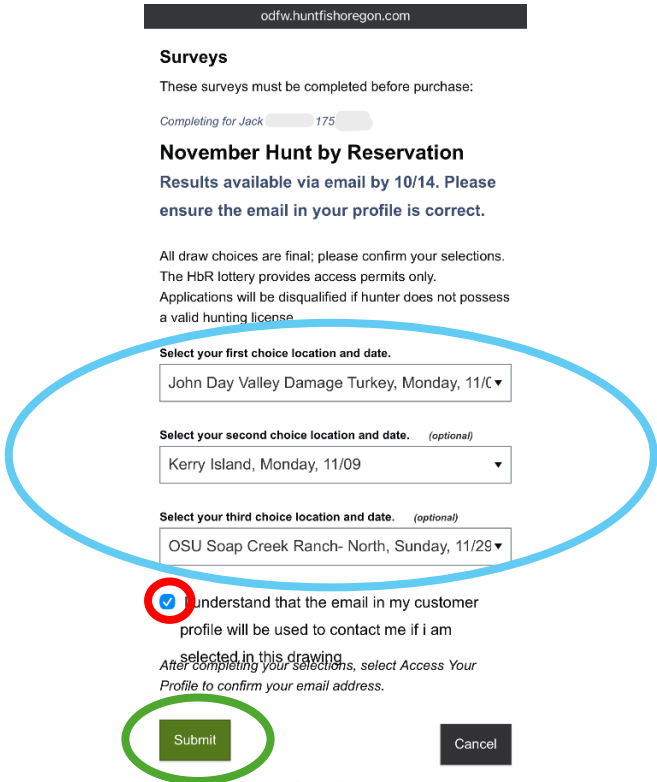

There will be a popup labeled “Surveys” and the application will be inside it. Touch the blue “Complete” button.

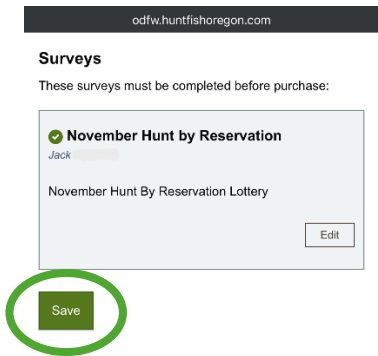

The “Survey” or application will now pop-up with information about the lottery and 1st, 2nd, and 3rd choice options to select. As indicated in the text, selections are final, so be sure to understand the details of each property, permit specifics, and dates available. This information can be found at <https://myodfw.com/reserve-your-hunt> by clicking the property name in the calendar, map, or property details near the bottom of the page.

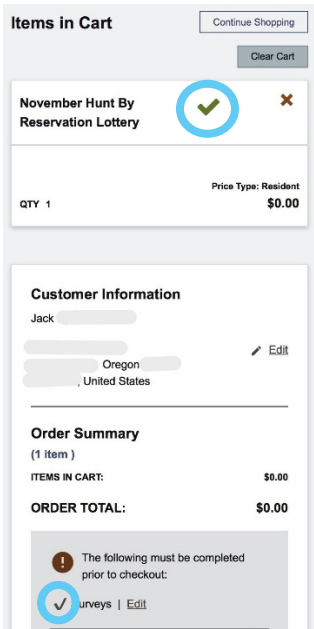

Select your 1st choice, and optional second and third choices. Make sure to check the attestation box and tap the green “Submit” button. As a reminder, repeating your 1st choice permit in the 2nd or 3rd boxes does not help your chances.

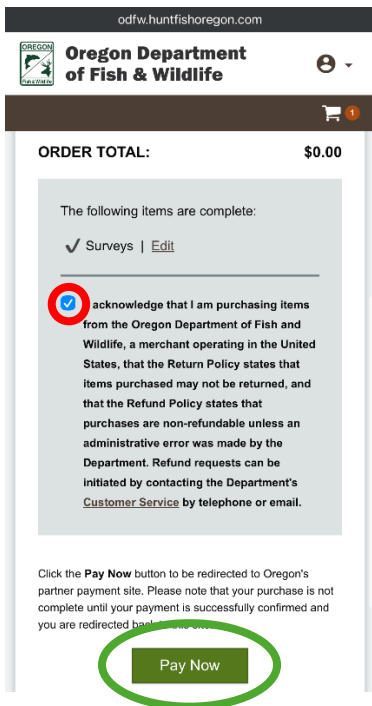

You will be returned to the pop-up window where you will tap the green “Save” button.

Now that your “Survey” or application is complete and saved it will have a green checkmark by it.

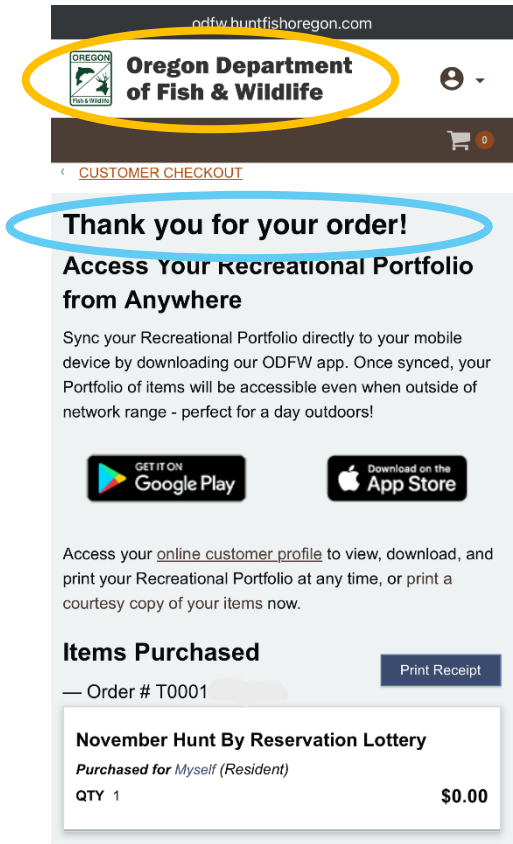

Check the box for the attestation and tap the green “Pay Now” button.

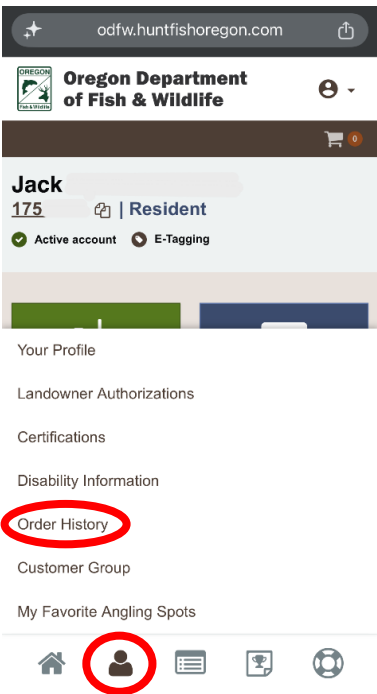

If everything was done correctly, the page will now say, “Thank you for your order!” which confirms your order and application is complete.

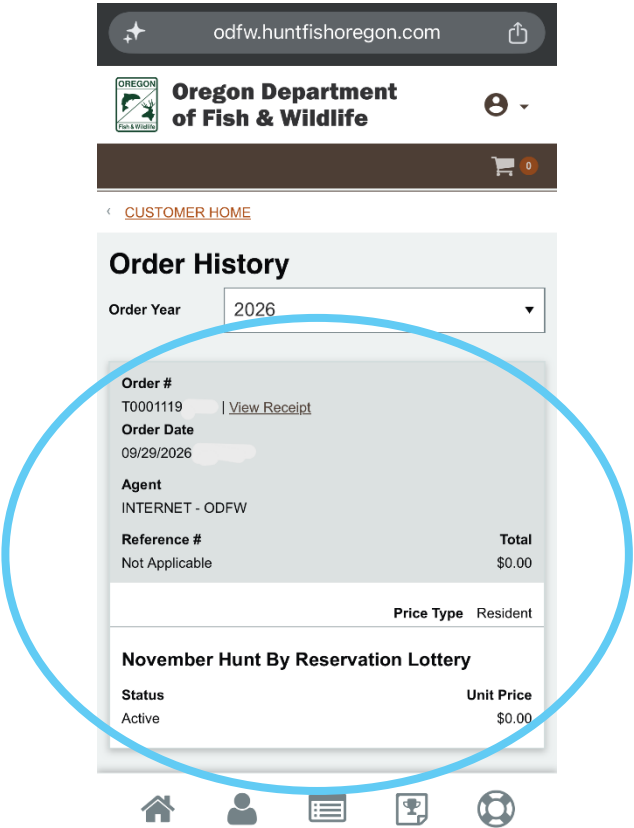

To double check your application was submitted successfully, return to your dashboard by tapping on the ODFW logo at the top of the page.

While in your dashboard, tap the person icon in the bottom bar, and select “Order History”.

You will now see your Order History for the year, starting with the most recent. If submitted correctly, you should see the “[Month] Hunt by Reservation Lottery” application “order” at the top of the page.

You did it! Good luck in the lottery and best of luck in the field!
