Oregon Department of Fish and Wildlife

The Thomas Creek Access Area is a cooperative access program between Avery Family Forests and Weyerhaeuser. The program helps maintain public hunting access on private and surrounding public lands. All Oregon Department of Fish and Wildlife Regulations and Seasons apply. Many of the roads that are closed to motor vehicles by gates, posted signs or barriers may be open for walk-in hunting only. Area may be closed during high fire danger.

Do not block gates or roads. Vehicles blocking gates or roads may be towed without notice at the vehicle owner's expense. Please contact individual landowners about their access policy and current closures.

Contact information for some landowners is available by visiting www.oregonhuntingmap.com and selecting the Thomas Creek Access Area.
